5. FIREFIGHTING MEASURES:

This product is not flammable nor reactive to water.

Should the product be exposed to a fire in the vicinity, where possible remove containers; otherwise cool with water spray

Firefighters may use water jet, spray, fog, foam, CO₂, or chemical dry powder to extinguish a fire in the vicinity.

6. ACCIDENTAL RELEASE MEASURES:

Spills on floors will produce a slippery surface.

Contain from local drainage with any suitable bund or barrier.

Small spills may be diluted and drained to waste. Otherwise absorb with mops and pails or any suitable absorbing inert material such Mineral Sponge, paper, rags, sand, and soil.

Large spills (drums and IBC's) should be contained from drains. Collect absorbed material in drums which can be closed and sent to landfill.

7. HANDLING AND STORAGE:

Precautions for Safe Handling

Read label before use. Keep out of reach of children.

Precautions for Safe Handling

Store packages in cool sites away from heat. Handle to prevent damage to containers. Should containers be damaged and repacking necessary, use clean containers of the same type and mark the name on an easily sited location.

Always replace lids and caps after using this product; bags should be closed tight. Return all packages to safe storage after use.
